

The image is a collage of American flags, showing various folds and sections of the stars and stripes. In the center, there is a rectangular patch with a blue top half and a white bottom half. On the blue background, there is a single white five-pointed star above the year '2001', which is embroidered in a white cross-stitch pattern. On the white background, the year '2002' is embroidered in a red cross-stitch pattern.
